

# BISTRO NOUVEAU. Kettle 1L

Heat resistant borosilicate glass teapot. It has a large, BPA-free filter (no taste alteration) that gives the tea leaves additional space to develop and dissipate their aroma even better. This brewing process can be interrupted by removing the integrated filter from the kettle. The Bistro Nouveau kettle combines a pleasant design with optimum functionality. It has a capacity of up to 1 L. Made in Europe. Supplied in gift box
