

BISTRO SET. Plastic press coffee maker

Set with the Bistro press coffee maker and 2 Pavina Outdoor cups. The press is made from stainless steel and durable, rust-resistant material. The glasses are made from high-quality borosilicate glass. The glass is heat resistant and does not alter or impair the natural flavour of the coffee. It has a plunger made of stainless steel, which retains the sediments in the coffee pot while the coffee is being served. The Bistro Set is ideal for preparing a simple, tasty, and eco-friendly coffee. The coffee maker has a capacity of up to 1 L and the cups up to 250 mL. Supplied in a gift box
