

BRAZIL 1L. Press coffee maker 1L

French press coffee maker with a high-quality borosilicate glass container. The glass is heat resistant and does not alter the natural flavour of the coffee. It has a stainless-steel plunger and reusable filter that extracts the best flavour from the coffee beans, leaving minimal sediment in the cup. Its structure, handle, and domed lid are very light and made of BPA-free material. The Brazil coffee maker, developed in the 1980s, is one of the classic models that continue to stand up to the needs of many generations.

Dishwasher safe. It has a capacity of up to 1L. Supplied in a gift box
