

BRAZIL 350. Press coffee maker 350ml

French press coffee maker with high-quality borosilicate glass container. The glass is heat resistant and does not alter the natural flavour of the coffee. It has a stainless-steel plunger and reusable filter that extracts the best flavour from the coffee beans, leaving minimal sediment in the cup. Its structure, handle, and domed lid are very light and made of BPA-free material. The Brazil coffee maker, developed in the 1980s, is one of the classic models that has stood up quite successfully to the needs of different generations. Dishwasher safe. It has a capacity of up to 350 mL. Supplied in a gift box
