

PAVINA 100. Glass cups 100ml

Set of 2 cups made of high-quality borosilicate glass. The glass is heat resistant and does not alter the natural taste of the coffee. The cups also have a cork band for control and safety when handling hot liquids. Suitable for hot and cold beverages. The curvilinear design is the trademark of the Pavina line. It has a capacity of up to 100 mL. Supplied in a gift card sleeve
